Broadway Hotel Lounge Chair

5751B

Lounge Chair

Track arms and a plain back keep this lounge chair clean and tailored, while the exposed wood side frame with angled supports and tapered legs adds a warm architectural touch. A tight upholstered seat and back stay neat with minimal maintenance, supported by a sinuous spring seat and webbed back for comfortable, resilient support. Built with a solid hardwood frame, hardwood plywood panels, and corner-blocked joints for lasting stability in busy spaces. Upholstered in your choice of COM. Meets commercial fire-rating standards.
