PREMIUM COOLING COVER

- Creates a softer, drier, cooler and more comfortable sleep surface
- Ultra-durable, high performance fiber accelerates moisture wicking and absorption

EssentailGel™ Foam

- Gel Foam keeps you cool so you sleep better
- Responsive feel and pressure-relieving comfort

Silhouette Foam

- Rolling peaks and valleys contour to the body—for pressure relief, improved spinal alignment and breathability for perfect temperature
- Works with other mattress layers to distribute weight more evenly as you move, reducing partner disturbance

Balance Spring™ Support System w/Foam Encasement

- Unique shape of strong offsetting coils provides consistent surface support
- Open design improves airflow and temperature regulation

Always CertiPUR-US® Certified Foams

- Certified foams made without harmful chemicals
