

THE PLATFORM BED BASE

AVAILABLE IN 10" & 16" PROFILES

Built for strength, simplicity, and a clean in-room presentation, The Platform Bed Base delivers dependable support with a streamlined profile. Designed for hospitality environments, its all-steel construction and one-box delivery make setup efficient without compromising durability.

All-Steel Construction

Engineered for long-term durability and consistent support across high-turn environments.

Recessed Base with 4-Sided Panel System

Keeps the mattress securely positioned while delivering a clean, finished look from every angle.

Heavy-Duty Support System

Reinforced with stabilizer bars for enhanced strength and reduced movement.

One-Box Delivery

Ships compactly for easier handling, storage, and transportation.

Quick & Easy Assembly

Designed for efficient setup with minimal tools required.
