

Earth® Showerhead

OVERVIEW

The Earth® Showerhead creates a personalized and satisfying experience with every shower. Tailor spray-feel from firm to soft or anywhere in between while using the showerhead's Full-Body spray mode or indulge in the 9-Jet Massage or Combination spray options. Patented Equiforce® Technology consistently delivers uniform flow, high-pressure sprays, and broad coverage—even in lower water-pressure homes to further enhance showering enjoyment. Earth's corrosion-resistant, high-impact ABS body ensures durability, and the metal ball joint provides smooth directional adjustments shower after shower.

FEATURES

- **Personalized Shower Experience**
Enjoy three spray options (Full-Body spray, 9-Jet Massage, and a Combination spray) and the flexibility to customize the Full-Body spray's feel from firm to soft to match the bather's mood.
- **Equiforce® Technology**
Our patented flow enhancement technology ensures satisfying shower experiences by delivering uniform flow, high-pressure sprays, and broad coverage—even in lower water-pressure homes.
- **Enduring Quality**
Crafted with a corrosion-resistant, high impact ABS body featuring anti-clog spray nozzles for lasting durability and a metal ball joint for smooth directional adjustments.
