CONSTRUCTION

Frame is shaped solid and veneer beech wood, with glued and bolted assembly. Padded seats are double foam on a plywood substrate with a fabric backer. Solid and veneer seats are beech with stain and lacquer top coats. Ships fully assembled.

CUSTOMIZATION

Units are stocked in quickship configurations and can be reupholstered to customer's specification. Padded inside/outside back and pullover seats are also available. The optional foot rest is recommended on barstools. Factory customizations for lower-cost upholstery and different frame colors are available, but MOQ (minimum order requirements) of 100 units per order will apply.
