fashionable bath accessories

The Gryphon® bath collection Shower Curtain and and Double Frame Bath Rug adds a fashionable look to both modern and classic bathrooms alike. The Gryphon® Shower Curtain is made from a 80/20 Supima cotton and polyester blend. The Gryphon® Double Frame Bath Rug is constructed with 100% ring spun cotton and a hand loomed tufted cut for plush softness.

Also utilizing a soft 100% ring spun cotton construction with 3-ply yarns and a piqué dobby border, the Grand Patrician® Suites Gray Towel collection complements well with our Gryphon® bath collection products.
