

Filled Blankets and Comforters

Experience warmth and comfort with our filled blankets and comforters. Our collection provides an array of options for any budget. Our blankets and comforters are filled with soft EcoPure™ recycled fiber for plush comfort and environmental friendliness, and box-stitched to help prevent fill migration. With easy care laundering, our filled blankets and comforters can help reduce the strain on your washer and dryer compared to typical filled products.

Filled Blankets and Comforters
