A Consistent Five-star Guest Experience

The Sealy Posturepedic brand is famous for a reason. Surveys show that people with Sealy Posturepedic mattresses in their own homes are more satisfied than owners of competing beds. Give your guests an experience that exceeds their expectations. And they will pay you back with reviews that exceed yours.

UNIQUE FEATURES

- **Orthopedic design** for pressure relief and push-back support
- **Targeted support** of a unique center third
- **Chill Technology** to promote cool, comfortable sleep
- **Proven durability**, meeting the industry's most rigorous standards

90% Rave Reviews

Sealy Posturepedic outperformed the competition in a national sleep study conducted by a major hotel brand, receiving rave reviews from 90% of sleepers.

Guests truly love these beds!

Gaffney Soft Tight Top

- Surface-Guard™ antimicrobial fabric treatment kills bacteria on the mattress surface and protects from common allergens
- Chill™ Technology to promote cool, comfortable sleep
- Premium high-density, pre-compressed, gel-infused foams are found in all layers
- ½" foam in the center third to guard against body impressions
- Heavy gauge, twice-tempered encased coils maintain ~98% of their height over the life of a mattress set
- DuraFlex™ Coil Edge System features densely packed coils which surround the edge of the mattress for a solid seating surface, more space to sleep and added durability
- No-skid foundation keeps mattresses in place and helps linens maintain a good tuck
- Handles for easier use by the housekeeping staff

TEMPUR + SEALY

Built to Support Your Guests, Your Staff and Your Business

Sealy Posturepedic mattresses are engineered with innovative and exceptionally durable components to help ensure years of guest comfort, easy housekeeping and higher annual occupancy.

Knit fabric, featuring Surface-Guard antimicrobial treatment for long-term protection and Chill Technology for cooler sleep.

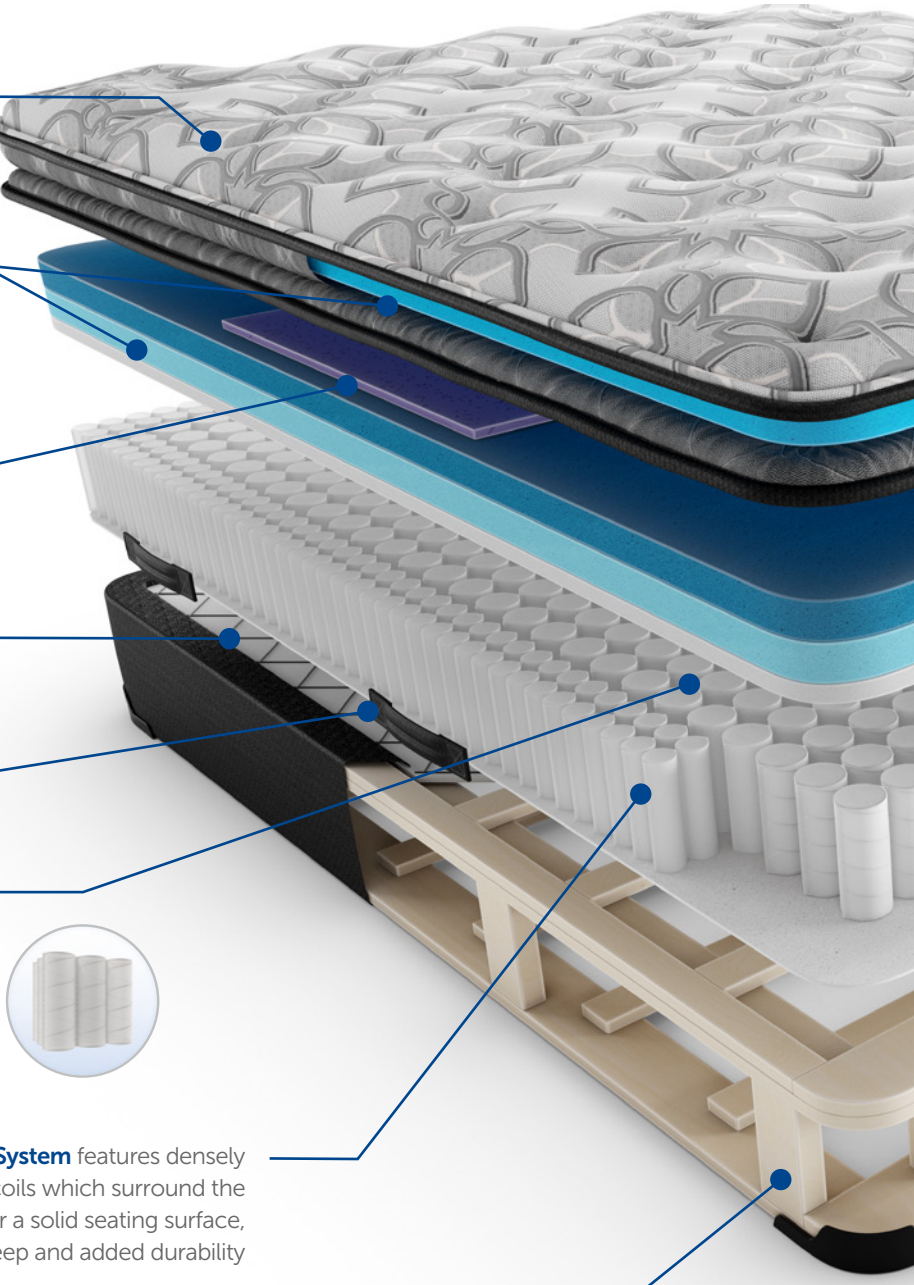
Cushioning, high-density foams, all pre-compressed and infused with gel to ensure long-term comfort — with layers adhered together to prevent slippage.

Extra foam in the center third to add support and minimize body impressions where guest weight is concentrated.

No-skid foundation top to keep mattress in place while changing linens.

Two handles on each long side for years of easy lifting.

Twice-tempered, individually encased coils for durability, comfort and support with minimal motion transfer to ensure ~98% height retention



DuraFlex™ Coil Edge System features densely packed encased coils which surround the edge of the mattress for a solid seating surface, more space to sleep and added durability

Hospitality-grade foundation with solid wood construction for a stable feel and durability in hotel environments.
