CONSTRUCTION

Backs and seats are foam, fitted over precision cut plywood substrates. Corners and ends are completed with decorative nail strips. Frame is shaped solid beech wood, with glued and bolted assembly. Ships fully assembled.

CUSTOMIZATION

Units are all built to order and will be reupholstered to customer's specification. An option of top stitch or alternate decorative nails is available. The optional foot rest is available in gold or silver and is recommended on barstools. Factory customizations for lower-cost upholstery and different frame colors are available, but MOQ (minimum order requirements) of 50 units per order will apply.
