# Built to Support Your Guests, Your Staff and Your Business

Sealy Posturepedic mattresses are engineered with innovative and exceptionally durable components to help ensure years of guest comfort, easy housekeeping and higher annual occupancy.

**Rich-feeling, antimicrobial, water-resistant fabric with Chill Technology** for comfortable, long-term protection of the mattress.

**Cushioning, high-density foams,** all pre-compressed and infused with gel to ensure long-term comfort — with layers adhered together to prevent slippage.

**Extra foam in the center third** to add support and minimize body impressions where guest weight is concentrated.

**No-skid foundation top** to keep mattress in place while changing linens.

**Two handles on each long side** for years of easy lifting.

**Lightweight open coil unit** for easy lifting (on most models).

**Twice-tempered coil** to provide comfort, support and durability, with ~98% height retention.

**Foam-encased edge** for a fully supportive feel and to ensure that the bed keeps its shape over time.

**Hospitality-grade foundation** with solid wood construction for a stable feel and durability in hotel environments.
