

3 Qt. Round Ice Bucket With Oval Foiled Matching Knob and Built-in Hard Insulating Liner

- Made 100% in the USA
- Impress your guests with our modern Contempo Collection, perfect for in-room or spa retreat rooms.
- These products are constructed of engineering grade plastic, coated under heat and pressure for a durable finish
- As a final touch, an additional clear coat sealant is applied to virtually repel fingerprints for an immaculate finish while maintaining easy cleaning
- Featuring our easy grip swivel lid with foiled matching oval knob for a modern and sleek appearance
- Comes with a built-in hard insulating liner to reduce condensation and keep ice cold
- Wide variety of color choices available featuring our double clear coat covering to virtually remove all fingerprints
- Constructed of durable polystyrene , this ice bucket is lightweight, easy to clean, and will stand up well against frequent exposure to water and moisture
- Design is easy to clean with a damp cloth
- Pairs well with the rest of our Contempo Collection
