

JUST ADD WATER SYSTEM

JAWS[®]

PROFESSIONAL

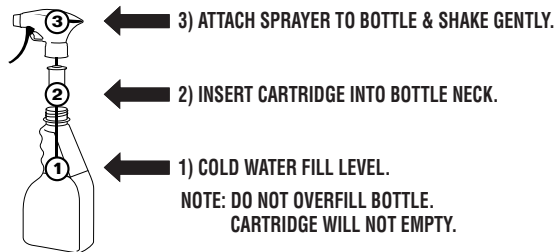

GLASS & SURFACE CLEANER

JAWS 3421

Concentrated, streak-free, non-fogging glass cleaner that may be utilized on residential windows, commercial building windows, car windows, Lexan, Lucite and PLEXIGLAS[®] acrylic, as well as computer and television screens.

Directions

1. Hold container with trigger sprayer attached 6-8 inches from surface and lightly spray surface.
2. Wipe clean with towel or cloth.
3. Save bottle and sprayer for re-use.
(For use as an A1 cleaner in food processing applications, use of this product must be followed by a potable water rinse.)

Safe for use on electronic devices. Always spray on paper towel or clean cloth first then wipe surface.
