- Contains 0% bleach, works even in cold water
- Gentle on fabrics including whites & colors
- Works in all standard & HE machines
- To disinfect and kill 99.9% of viruses, add when pre-soaking laundry
- Suitable for children's clothes, gym clothes, underwear, towels, bedding & delicates

Step 1: Dosing

Step 2: Pour into Machine

Step 3: Laundry is Sanitized in Rinse Cycle

- For standard machines: Fill 2 capfuls to line 1 of the dosing cup.
- For HE machines: Fill 2 capfuls to line 2 of the dosing cup.

Add two capfuls to the fabric softener compartment at the start of laundry cycle.

If machine does not have a fabric softener dispenser, wait until rinse cycle and add directly to drum of machine.

Leave in rinse cycle for 16 minutes.

Clothes come out sanitized killing 99.9%* of bacteria.

Pre-Soaking to Disinfect and Kill 99.9% of Viruses

Pour 2 capfuls into 1 gallon of cold water

Soak items for 15 minutes

Rinse thoroughly with clean water or machine wash as directed

Lysol Laundry Sanitizer Sport

Lysol Laundry Sanitizer Sport Kills 99.9% of Odor Causing Bacteria* to prevent odors before they can grow!

You wear your athleticwear a lot and over time, they begin to stink – even though you wash them. This is due to bacteria and the odor molecules they produce becoming trapped in the synthetic fabrics. Eliminate those odors at the source, prevent them from growing back, and leave your athleticwear smelling fresh and clean.

While fabric softeners and dryer sheets only mask the odors and can damage your clothing, Lysol Laundry Sanitizer Sport is suitable for use on all your athleticwear's special fabrics. Whether you're washing your clothes after laying on the sweaty gym floor or yoga mat or you want to ensure the stink from your last workout is

Athleticwear often requires special treatment in the wash:

**Iron,
Low Temp**

**Tumble Dry,
Low Temp**

**Wash at or
below 30°C**

**Non-Chlorine
Bleach**
