## FrontFill™ Compact 12 Cup Coffee Maker

### Specifications

- 60Hz, 900 watts
- 3-prong, 2' UL Rated Cord
- 3-year Limited Warranty

## Saves space in the kitchen

Compact design  
easily fits under  
countertops and  
carafe handle  
stores inside base

## Easy to fill

With FrontFill™ water  
reservoir and swing-open  
brew basket

## Easy to clean

The durable, borosilicate glass  
carafe and Lift & Clean brew basket  
are dishwasher safe

## Get your first cup fast

With Auto Pause & Pour, the flow of  
coffee stops when you lift the carafe

## Easily see when coffee maker is on

The on/off switch  
illuminates when turned on

## Compatible with smart plugs

Easily integrate into your  
smart home routine
