

ProTerra®

For You. For the Earth.

Slow down and feel the warmth of the sun, the coolness of the breeze, and the solidness of the earth under your feet – nature is calling. The ProTerra Collection was created for travelers looking to reconnect with nature along their journey. Its carefully crafted botanical formulas are made with nourishing ingredients including honey, jojoba, and aloe to nourish and protect while leaving out all the stuff you don't need (artificial colorants, parabens, banned phthalates, mineral oils, and diethanolamine).

HONEY AND VANILLA

Warm vanilla bean laced with sweet fresh honey creates a gentle comforting natural fragrance the whole family will love.
