A SIMPLE WAY TO UPGRADE A CRITICAL WELLNESS AMENITY

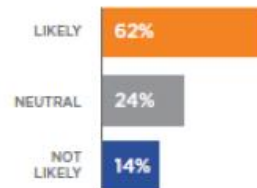

THE CHALLENGE

BETTER SHOWERS EQUAL HAPPIER GUESTS

Most important factors during stay

Bad showers lead to negative reviews

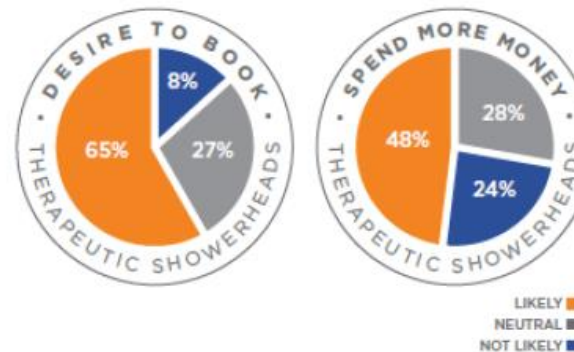

Our research shows that **your guest's shower experience is one of the most important factors** in their overall stay happiness." It's so important that 62% said they would likely leave a bad online review based solely on the shower.

THE OPPORTUNITY

WELLNESS AMENITIES EQUAL HAPPIER GUESTS

Offering a room with a therapeutic massaging showerhead

On the upside, **68% of travelers** agreed that health and wellness amenities are important, and almost half of travelers would spend more money if offered a showerhead with therapeutic benefits. 65% said a shower with therapeutic benefits would influence their desire to book.
